Subject Index

Book Reviews

Achievement and Addiction: A Guide to the Treatment of Professionals, by Edgar P. Nace. November, p. 471.
Return to Community: Building Support Systems for People With Psychiatric Disabilities, by Paul J. Carling. February, p. 117.
Social Work in Mental Health: Trends and Issues, edited by Uri Aviram. November, p. 470.

Brief Reports

Developing an integrated information system for specialized addiction treatment agencies. February, pp. 100-107.
Geographic market areas for psychiatric and medical outpatient treatment. February, pp. 108-116.
Mental health and substance abuse treatment services for dually diagnosed clients: Results of a statewide survey of county administrators. February, pp. 83-92.
Oklahoma City: Disaster challenges mental health and medical administrators. February, pp. 93-99.
Services utilization before and after the prospective payment system by patients with somatization disorder. February, pp. 76-82.

Children/Youth/Families

The development of a statewide continuous evaluation system for the Texas Children's Mental Health Plan: A total quality management approach. May, pp. 194-207.
An ecological model for school-based mental health services for urban low-income aggressive children. February, pp. 64-75.
The ecology of outcomes: System accountability in children's mental health. May, pp. 136-150.
Managing what you measure: Creating outcome-driven systems of care for youth with serious emotional disturbances. May, pp. 177-193.
Multiagency outcome evaluation of children's services: A case study. May, pp. 163-176.
Privatized Medicaid managed care in Massachusetts: Disposition in child and adolescent mental health emergencies. August, pp. 279-292.
Professional-led versus family-led support groups: Exploring the differences. November, pp. 437-445.
Use of the child and adolescent functional assessment scale (CAFAS) as an outcome measure in clinical settings. August, pp. 325-336.
Utilization management analysis for children's mental health services. February, pp. 35-42.

Commentaries

From many into one: Addressing the crisis of quality in managed behavioral health care at the millennium. May, pp. 233-237.
Implementation of Medicaid managed mental health care in Iowa: Problems and solutions. August, pp. 293-299.
Outcomes and accountability from a family perspective. May, pp. 230-232.

Costs

Benefits and costs of supported employment from three perspectives. February, pp. 22-34.
Consumers as mental health providers: First-person accounts of benefits and limitations. November, pp. 397-411.
Services utilization before and after the prospective payment system by patients with somatization disorder. February, pp. 76-82.

Dedication

Lawrence W. Rouse, Ph.D.: December 31, 1954–August 20, 1996. May, p. 135.

Editor's Notes/Comments

Editor's Comments. November, p. 464.
Editor's Note. February, p. 6.
Editor's Note. August, p. 251.
Special Issue Editor's Note. May, pp. 132-134.

Inpatient Facilities

Characteristics of short-stay admissions to a psychiatric inpatient service. August, pp. 337-345.
Interactions between group homes and neighbors: Neighbor preferences. November, pp. 425-436.
Using client satisfaction surveys to evaluate and improve services in locked and unlocked adult inpatient facilities. February, pp. 51-63.

Letters to the Editor/Responses

Letter on "Ethical Problems in Psychiatric Research." November, pp. 465-466.
Letter on "Ethical Problems in Psychiatric Research." November, pp. 467.
Authors' Response. November, pp. 468-469.

Managed Care

Designing a system for managing the performance of mental health managed care: An example from New York State's prepaid mental health plan. August, pp. 269-278.
Implementation of Medicaid managed mental health care in Iowa: Problems and solutions. August, pp. 293-299.
Managed care and medication compliance: Implications for chronic depression. November, pp. 367-376.
Managed care and technical efficiency in outpatient substance abuse treatment units. November, pp. 377-396.
Managed care as a platform for cross-system integration. August, pp. 252-268.
Privatized Medicaid managed care in Massachusetts: Disposition in child and adolescent mental health emergencies. August, pp. 279-292.

Medicaid

Implementation of Medicaid managed mental health care in Iowa: Problems and solutions. August, pp. 293-299.
Privatized Medicaid managed care in Massachusetts: Disposition in child and adolescent mental health emergencies. August, pp. 279-292.

Mental Health Services

The Americans with Disabilities Act, mental disability, and employment practices. August, pp. 312-324.
A brief medical necessity scale for mental disorders: Reliability, validity, and clinical utility. November, pp. 412-424.
Collaboration between a state alliance for the mentally ill and a state mental health authority in monitoring the consequences of downsizing. February, pp. 43-50.
The development of a statewide continuous evaluation system for the Texas Children's Mental Health Plan: A total quality management approach. May, pp. 194-207.
Implementation of Medicaid managed mental health care in Iowa: Problems and solutions. August, pp. 293-299.
Managing smarter: A decision support system for mental health providers. November, pp. 446-455.
Mental health and substance abuse treatment services for dually diagnosed clients: Results of a statewide survey of county administrators. February, pp. 83-92.
Privatized Medicaid managed care in Massachusetts: Disposition in child and adolescent mental health emergencies. August, pp. 279-292.
The formal mental health care burden among recently deinstitutionalized patients. August, pp. 346-356.

Outcomes

The ecology of outcomes: System accountability in children's mental health. May, pp. 136-150.
Managing care across systems to improve outcomes for families and communities. May, pp. 217-229.
Managing what you measure: Creating outcome-driven systems of care for youth with serious emotional disturbances. May, pp. 177-193.
Multiagency outcome evaluation of children's services: A case study. May, pp. 163-176.
Outcomes and accountability from a family perspective. May, pp. 230-232.
Use of the Child and Adolescent Functional Assessment Scale (CAFAS) as an outcome measure in clinical settings. August, pp. 325-336.

Substance Abuse

Consideration of special populations in the drug treatment system of a large metropolitan area. February, pp. 7-21.
Developing an integrated information system for specialized addiction treatment agencies. February, pp. 100-107.
Managed care and technical efficiency in outpatient substance abuse treatment units. November, pp. 377-396.
Mental health and substance abuse treatment services for dually diagnosed clients: Results of a statewide survey of county administrators. February, pp. 83-92.

System Performance

Designing a system for managing the performance of mental health managed care: An example from New York State's prepaid mental health plan. August, pp. 269-278.
Program specification: A precursor to program monitoring and quality improvement. A case study from Boysville of Michigan. May, pp. 208-216.
Using incarceration rates to measure mental health program performance. August, pp. 300-311.

System Accountability

The development of a statewide continuous evaluation system for the Texas Children's Mental Health Plan: A total quality management approach. May, pp. 194-207.
The ecology of outcomes: System accountability in children's mental health. May, pp. 136-150.
Managing care across systems to improve outcomes for families and communities. May, pp. 217-229.
Managing what you measure: Creating outcome-driven systems of care for youth with serious emotional disturbances. May, pp. 177-193.
Multiagency outcome evaluation of children's services: A case study. May, pp. 163-176.
A multistakeholder-driven model for developing an outcome management system. May, pp. 151-162.
Outcomes and accountability from a family perspective. May, pp. 230-232.
Personal privacy versus public accountability: A technological solution to an ethical dilemma. November, pp. 456-463.
Program specification: A precursor to program monitoring and quality improvement. A case study from Boysville of Michigan. May, pp. 208-216.
